INVESTING IN OUR FUTURE

- Riddle’s Master Facility Plan aims to revitalize the hospital’s infrastructure to match the high-quality, patient-centered care and superior experience delivered to patients each day.
- A new Patient Pavilion, slated for completion in 2023, includes a new operating suite, acuity-adaptable medical/surgical units, maternity/labor and delivery rooms, level II NICU, and a new welcoming lobby.
- Recent renovation of The Birthplace included upgrades and modernization to private patient rooms, common areas and redesigning the core of the unit to improve workflow to better serve mothers and babies.

PHILANTHROPY

Each year, Riddle Hospital receives thousands of charitable donations, both large and small, from the community. Many people give to the Annual Fund or make special gifts to projects such as capital campaigns for new facilities and technology. Others choose to make planned gifts, such as bequests in their will or a life-income gift to establish an endowment in an area of their interest. These gifts help ensure that Riddle Hospital continues to provide the highest quality and most compassionate, human care possible.
